姓名: 日期:

Note: this is one of the possible pinyin crossword puzzles that can be generated with the word list you provided. To generate a normal and better crossword puzzle, consider

  1. Simply hit the Print button to try it again.
  2. Instead of using single characters, use compound words, such as 2-character or 3-character words, to increase pinyin length.
  3. Select and use the words that have one or more of the same letter(s) in their pinyin.
  4. Enable the option #5 to allow the puzzle generator to use random words from the Chinese-English dictionary.
  5. Enable the option #4 to ignore tone marks on the puzzle sheet.
